

50 Practical Ways to Use Essential Oils

(for more daily tips, join me over on Instagram at [@carrievitt.oils](https://www.instagram.com/carrievitt.oils))

- 1. When Your Throat is Sore** - Melaleuca, OnGuard, Frankincense, and Ginger - drop 1 drop of each on the tongue. It's a bit spicy, so if you can't tolerate the heat, then rub this combination on your throat. You can also make a sore throat spray by putting 20 drops of each oil in a [glass spray bottle](#) and topping it off with distilled water. Spray 5 pumps in the mouth as needed.
- 2. To Support the Immune System (use this when you've been exposed to someone who's been sick)** - Lemon, OnGuard and Oregano - put 20 drops of each in a [glass roller ball](#) and top with [fractionated coconut oil](#) - roll this blend on the feet 2x a day for 5 days.
- 3. To Support the Immune System (use this each day to support wellness)** - Lemon, OnGuard, and Frankincense - put 20 drops of each in a [glass roller ball](#) and top with fractionated coconut oil - roll this blend on the feet 2x a day.

4. **To Help Maintain Health During the Fall and Winter (Back to School Blend)** - Thyme, Lemon, Protective Blend, Melaleuca - put 20 drops of each oil in a [glass roller ball](#) and top with fractionated coconut oil - rub this blend on the feet 2x a day.
5. **Help Balance Hormones** - Clary Sage and Zendocrine - rub 1 drop on the feet 2x a day.
6. **Scarring** - Frankincense (helps prevent) Helichrysum (helps reduce) - rub 1 drop of either oil on the scar 2x a day.
7. **To reduce the appearance of wrinkles and aging** - Immortelle Blend, Frankincense, Lavender, Myrrh, Geranium - place some face cream in your hand and drop one drop of any of the oils listed and rub into the face daily. The Immortelle blend is already blended for you, so swipe the oil blend over the face 1x each day.
8. **To Ease Stress** - Lavender, Serenity and Balance, Ylang Ylang, Focus Blend, Wild Orange. Use 1 drop of any of the oils listed and rub on the back of the neck. Or, you can use a combination of any of the oils and diffuse. For diffusing, I like to use 3 drops of each oil.
9. **To Calm Emotions** - Elevation, Bergamot, Roman Chamomile - Diffuse 3 drops of each in a diffuser, or rub 1 drop of any of the oils listed on the neck.
10. **To Help You Relax** - Rub 1 drop of Serenity, Lavender, or Bergamot on the feet or back of the neck. Or, to make a blend, combine 20 drops of each oil in a [10ml glass roller ball](#) and top with [fractionated coconut oil](#). Roll this blend over the heart or the back of the neck as needed.
11. **Airsick, carsick or seasick** - Rub 1 drop of Ginger and Frankincense around the ear before getting on a plane, car or boat. If you begin to feel nauseous, place a drop of peppermint on one hand, rub your hands together and then cup your hands over your nose and inhale deeply for 30 seconds or as needed.
12. **To Reduce Anxiety** - Place 1 drop of Balance and 1 drop of Lavender on one hand, rub your hands together and then cup your hands over your nose and inhale and exhale deeply for 30 seconds. You can also diffuse 3 drops of each.
13. **Occasional Stomach Ache** - Peppermint, Digest Zen, Ginger, Fennel (rub 2 drops of any of these oils directly on the stomach)
14. **Occasional Diarrhea** - Peppermint, Geranium, Ginger - Rub 1 drop of each over the lower abdominal area.
